

**Declaration of Conformity to  
Directive 2011/65/EC of the European Parliament and of the Council  
of 8 June 2011 and Directive 2015/863 of 31 March 2015  
on the restriction of the use of certain hazardous substances (RoHS) in  
Electrical and electronic equipment**

*Lake Shore temperature sensors are exempted from the Directive **2011/65/EC** (as exemption 26). Temperature sensors comply with the other requirements from Directive **2015/863** other than the Rox™ RX-103A which includes an additional non-exempt material.*

**Annex IV to Directive 2011/65/EU, Point 26**

*Lead in the following application that are used durably at a temperature below -20 °C under normal operating and storage conditions:*

- (a) Solders on printed circuit boards*
- (b) Termination coatings of electrical and electronic components and coatings of printed circuit boards;*
- (c) Solders for connecting wires and cables;*
- (d) Solders connecting transducers and sensors*

*Lead in solders of electrical connections to temperature measurement sensors in devices which are designed to be used periodically at temperatures below – 150 °C*

*These exemptions expire on 30 June 2021. However, an exemption renewal is currently under review and the current exemption is valid until a decision is made by the Commission.*

On behalf of Lake Shore:   
\_\_\_\_\_

*Rachel Lusher, Corporate Compliance Manager*
